KC and I spoke to Kristi and Susmita this morning about the call yesterday and the planned technical staff discussion with FHWA this afternoon. We did not discuss the call tomorrow. However, Susmita and I were on the call with OTAQ this morning when we discussed the planned call for tomorrow morning so I assume she briefed Kristi after we wrapped up. Is there something in particular about the call tomorrow she should know? I'm happy to follow-up.

Thanks Carl. As I understand it, Brian and KC talked with Kristi earlier today. They are probably your best points of contact for that conversation, given that I wasn't present for it.

Sure, just left you a message to see if you/Elyana/Brian had talked to Kristi Smith about the call with FHWA on I70 and points for tomorrow's call. I just talked to OTAQ and they asked if Kristi had been updated.

I'm at a goodbye lunch for Chuck - can we talk this afternoon?
